

FOR IMMEDIATE RELEASE

Burns & McDonnell Recognized as a US Best Managed Company for Third Consecutive Year

KANSAS CITY, Missouri — [Burns & McDonnell](#) is proud to announce it has been selected as a [2024 US Best Managed company](#). Now in its fifth year, the award, sponsored by Deloitte Private and *The Wall Street Journal*, recognizes the achievements of U.S. private companies and the successes of their management teams. The 100% employee-owned engineering, construction and architecture firm is on the list for the third consecutive year.

The award honors Burns & McDonnell for differentiating itself through a strong dedication to safety, exceptional management practices, diverse service offerings, innovative approaches and robust leadership development.

“Since 1898, Burns & McDonnell has designed infrastructure, facilities and systems to improve the quality of life for communities around the globe,” says Leslie M. Duke, chair and CEO, Burns & McDonnell. “We solve the most complex challenges our clients face today. But even as technology and industries have evolved since we opened our doors more than 126 years ago, our mission remains unchanged: to make our clients successful.”

US Best Managed Companies is part of a global Deloitte Private program. Honorees are selected by an external panel of judges who evaluate applicants based on strategy, ability to execute, culture, and governance and financial performance. They join an ecosystem of organizations from more than 44 countries.

###

About Burns & McDonnell

Burns & McDonnell is a family of companies bringing together an unmatched team of more than 14,000 engineers, construction and craft professionals, architects, planners, technologists and scientists to design and build our critical infrastructure. With an integrated construction and design mindset, we offer full-service capabilities. Founded in 1898 and working from 75 offices globally, Burns & McDonnell is 100% employee-owned. About the Best Managed Companies Program

The Best Managed Companies program is a mark of excellence for private companies. U.S. designees have revenues of at least \$250 million. Thousands of private companies around the world have competed for this designation in their respective countries through a rigorous and independent process that evaluates four key criteria in their management skills and practices — strategy, execution, culture, and governance/financials.
