

FOR IMMEDIATE RELEASE

Joe Bauer Named Burns & McDonnell Construction Practice Manager for Upper Midwest Region

BLOOMINGTON, Minnesota — [Burns & McDonnell](#), a 100% employee-owned engineering, architecture and construction firm, announced that Joe Bauer will lead the [Construction Group](#) in the Upper Midwest Region. Bauer will be responsible for the strategic development and overall leadership of the firm's construction business across the Upper Midwest in multiple market sectors, including [power transmission & distribution](#), [life sciences](#), and [food and beverage manufacturing](#).

“Joe is an incredibly talented construction professional, and we’re excited to have him lead and continue to grow our construction business in the region,” says Gene Sieve, Burns & McDonnell vice president and general manager of the Upper Midwest Region. “His commitment to safety and dedication to client success sets a high bar for our team and leaders across our region.”

Bauer started his career with Burns & McDonnell in 2014 in [Chicago](#) and has led cross-functional teams in the turnkey execution of design-build projects in various industries throughout the region. In 2021, he transferred to the [Minneapolis-St. Paul](#) office and started up the local Construction Group to support Upper Midwest clients, and has since hired 22 employee-owners.

“I’m committed to leading our incredible Upper Midwest construction team and serving our clients by safely delivering their complex projects and programs on time and budget,” Bauer says. “Burns & McDonnell’s employee ownership culture makes this a great place to build a career and drives us to make our clients and communities successful.”

Burns & McDonnell continues to grow the construction team throughout multiple market segments. [Click here to see the available Upper Midwest construction job opportunities.](#)
